BRIEF ABSTRACT OF LETTER

An intermediate College of Science manned purely by native professors is urgently needed, one at Bangalore & another at Shimoga.

NOTES AND ORDERS

I St of Edn

It appears desirable to revive the Second Grade College at Shimoga. The Competition in the Colleges at Mysore & Bangalore is very great. The subject is under investigation

A College at Tumkur does not appear to be necessary and will also entail disproportionate cost

2 Sect Note

4 (1) It would be a mistake to keep up a second Arts College in Shimoga It cannot be very efficient when we are trying to form a residential and teaching Mysore University, it would be radically a wrong policy to start Colleges at a distance from the University Centre

(11) Boys are generally abt 18 yrs old when they enter on an University course and the needs of Shimoga and other outlying Dists can be adequately and efficiently met by providing hostel accommodation in Bangalore & Mysore and in order to help poor students by giving such students a grant to cover hostel charges in excess of what they might have to spend in Shimoga

(111) Govt now grant Shimoga Scholarships in the Central and Maharaja's Colleges, (8 in the Inter mediate

It is clear from the reports that the Schps have been exclusively awarded to Shimoga Students so far, and that most Shimoga Students have been getting scholarships &c. mentioned in letter of Secy 13/11

16. It would be useful & interesting to get a statement, showing the names of the Students who passed the Matriculation or completed the SSLC from the Shimoga High School, the class & rank in the Exam, whether they joined a college, if so which college, whether they got any of the Shimoga schps & any other schps, & whether they proceeded to a degree or dropped out in the middle.

Covering the past 5 years

17. Two passages in Mr Tait's letter show that some of the Shimoga scholarships have been given to Students passing out from other than the Shimoga High School on the score that the boys were natives of the Shimoga Dist.

SIR

With reference to your letter [illegible] 24/Ldn 431-13 dated 2nd September 1914 calling for information as to the utilisation of the Himaya Scholarships I have the honour to forward herewith copies of letters Nos 274 and 160 dated 17th and 21st September 1914 from the Principals of the Maharaja's and Central Colleges respectively furnishing the necessary information

I have the honour to be
Sir
Your most obedient servant

M Ramaswamy
Assistant to the Inspector General
(For Inspector General)
(Absent from Station)

Letter No 160 dated 21st September 1914 from the Principal Central College Bangalore to the Inspector General of Education in Mysore

---

With reference to your letter No 4421-2/497 dated 15th September 1914 I have the honour to state that it was laid down in Government Order No 10553-5/Edn 266-07-6 dated 22nd April 1908 that these scholarships are more appropriately designated Malnad scholarships I presume that this was intended as a direction that the scholarships are not confined to students from Shimoga High School

2 I find that three students from Shimoga High School were admitted to the Junior Intermediate class in 1909 out of a total of 56 admitted In 1909 three of the Shimoga scholarships were drawn by students of the Senior I A class Consequently there was only one scholarship available for the Junior Intermediate One of the three Shimoga students M Hutcha Rao held a special State scholarship Another Shimoga student to whom the Shimoga Scholarship was awarded left the College in August 1909 and the scholarship was then given to A Subba Rao the third Shimoga Student

3 I find that 69 students were admitted to the Junior Intermediate class of 1910-11 Only two were from Shimoga High School A Yellappa and C Srinivasa Rao Both got Shimoga Scholarships but neither completed the Intermediate Course A Yellappa left before the end of the year 1910-11 and C Srinivasa Rao left the Senior Intermediate Class in November 1911

4 In July 1911 77 were admitted to the Junior Intermediate class of whom two were from the Shimoga High School - S J Mascarenhas and C Narasimhachar Both of them got Shimoga Scholarships S J Mascarenhas discontinued on account of bad health before the end of the year C Narasimhachar discontinued his studies in September 1912

5 84 students were admitted into the Junior Intermediate Class

in July 1912 of whom two came from the Shimoga High School - C Venkatesaiya and D Hanumanthaiya A Shimoga Scholarship was given to K Venkatesaiya and an Ordinary Scholarship was given to D Hanumanthaiya The other Shimoga Scholarship was awarded to P Sanjiva Rao whose family belongs to the Shimoga District though he studied at an other school D Narumantnaiya I may add failed in the Intermediate Examinat on of March and April 1914

6 In July 1913 three students from Shimoga High School were admitted out of a total of 104 One of the three T Ramachandra Rao was awarded a Shimoga Scholarship The other Shimoga Scholarship was awarded to Jagatirtha who belongs to the Shimoga District though he studied at Tumkur High School because his claims seemed decidedly superior to the claims of V M Nascarenhas and A Seshagiri Rao who came from Shimoga High School

7 In these five years twelve students entered the Junior Intermediate class from Shimoga High School most of whom got Scholarships Five of these scholarship-holders failed to complete two years study I submit that until the out-turn of the Shimoga High school improves both in quality and quantity it is desirable to adhere to the above quoted Government Order and treat the scholarships as Lalnad Scholarships
